

I would like to introduce myself to some of you and to the ones that have already had the pleasure of my presence, I say "Howdy". My name is Barry Stanley and I wear many hats. One of the hats I wear is while I am running the new team circuit, Ultimate Bass Team Tour. This circuit got its start in the Intermountain Southwest region this year when Allen Bratton left US Anglers Choice to form a team circuit that was angler friendly and angler run. I was the first director to sign on after I left Anglers Choice also. Like our motto says "One Goal-One Passion", we are going to provide a circuit that is fun and competitive without the politics and drama. There will be 7 events spread out over 4 weekends which if you want to qualify for the TOC requires that you fish 6 of them. Read the rules on the website because we make it easy to qualify. <http://ultimatebassteams.com/Rules.html> Our championship tournament(TOC) will be held at Lake Powell on Oct 29-30, 2010. It don't get better than that. We have some great sponsors and just to name a few, Legend Boats will be offering cash rewards to owners and incentives to purchase a new boat to all of our members, Rich's Performance Marine-Mercury oil, Tom Pryor Rods-Rods to the AOY team and the last place qualified team will received 2 rods also. Yamamoto Custom Baits, Rippin' Lips Baits, and Star Outdoors in Kirtland, NM just to name a few.

My other hat is as tournament director for the NMBFN( New Mexico Bass Federation Nation) and we have a circuit that fishes all the best lakes in New Mexico. We will start the season this year at the Butte on April 24-25 and end up at Navajo in September for the President's Cup. We have seen an increase in participation over previous years and are looking to keep that trend going in 2010. NMBFN has some great incentives going this year like all boaters are guaranteed to use their boat both days regardless if signing up with a partner. So get the grass mowed, take care of the Honey Do list and I hope to see you at some of these events. We have a great time and even catch a few fish along the way. NMBFN is also a recognized circuit like Ultimate Bass is in the Legend Boat Advantage program where they pay you to fish for the brand. Our other National sponsors are Triton Boats, Mercury Outboards, Lowrance, Motorguide, Berkley, and many more.

Give me a call if you have questions or need info, see below contact info.
