Brian has been fishing competitively for 6 years. He has been giving fishing seminars and demonstrations around the Southwest for the past 7 years. Since 2007, Brian has primarily fished for bass; however his background in fishing is very diverse. Having been a guide in New Mexico for Striper and Walleye, he has a diverse knowledge of many species. Growing up in WI on the shores of Lake Michigan, Brian has experience on large and small bodies of water, fishing for everything from yellow perch to king salmon. His passion for fishing is shared through his website, ABQSportfishing.com and by his many interactions within the fishing community. His willingness to share his knowledge of the sport and products through in-person and online venues has been demonstrated for almost 10 years.
